

29/09/09

I started to research a timeline of first newspaper. Also I worked as a group and when we were finish then we did presentation to talk about it. I thought this lesson was difficult because it is hard to understand English words; Britain Sign Language (B.S.L) is my first language.

5/10/09

Tom talked about referencing. I worked with a group testing our knowledge of referencing by doing Referencing Exercises. I felt I know about reference from last year.

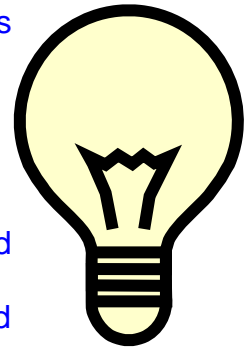

12/10/09

Tom explains about Points of view. I worked as a group to research feminism on Tomb Raider's Lara Croft. I started researching to find out about Lara Croft example where, why made her, why made her and when she was created. When we were finished then we did presentation to talk about it. I enjoyed it because I already known about Tomb Raider from video games.

9/11/09

I worked as a group to find out about changes in technology effects on life/community. I researched history of bulb lights and found out when started and who made it. We did lesson about technology and how it has changed. I felt it was good because I did research of light bulbs. I found some difficult English words. We did presentation as group.

16/11/09

I looked at art and I chose “handmals” – art on hands. I research to find about it and explained how art has changed and become more modern. I enjoyed it because it is interesting art on hands and I never seen it before.

23/11/09

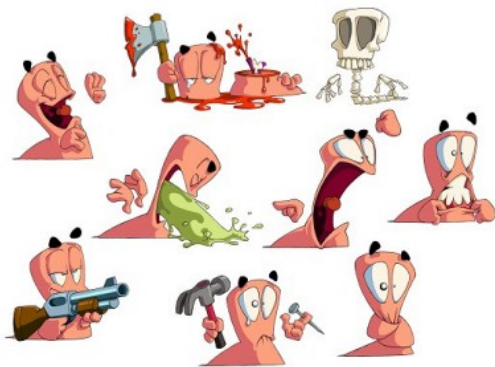

I looked at websites to see if fact, fiction or opinion, found examples in news, newspaper etc. I worked as group to research fact to find something that is true/not true. I thought this was very bad because it was difficult English words for me to understand.

30/11/09

Tom explained about two books and different English word. I can't do it because it is impossible and I am deaf student. It is difficult for me because it shows understand of English words, B.S.L is my first language.

7/12/09

I stated to make timeline of 3 things that have happened in computer games. I chose Worms, Tekken and Time Crisis. I enjoyed it because I did well know about 3 video games and I am ready for my presentation next week.

14/12/09

I did presentation to talk about my 3 video games. I feel I hate presentations because it makes me feel shy and I don't want to do it again but I have to do it for future.
